

Early Adopters Programme!

WHO

Small and Medium-Sized Cultural Institutions – Curators – Exhibit Organisers – Event Managers – Creative Professionals – Immersive and Interactive Experience Innovators – Beneficiaries of Similar EU Projects – Art Schools

WHAT

- This is an opportunity to test the functionality of the new, open source, easy-to-install Artcast4D platform before it is released.
- The software platform works with standard hardware and will be shared with early adopters for free.
- Direct contact with project partners.
- Work developed with the platform could be showcased during the Artcast4D final conference.

HOW

- Within a week of contacting Artcast4D, subscribers should fill in a work plan form, and describe the type of installation the Artcast4D platform will be used for.
- A legal agreement will follow if the consortium accepts your work plan. Expect a decision from Artcast4D within a week's time.

WHEN

From now until the end of the project.

This project has received funding from the European Union's Horizon Europe research and innovation programme under grant No 101061163. This communication reflects only the author's view and the Commission is not responsible for any use that may be made of the information it contains.
